

15. and 19. August 2017 90 years anniversary

Experimenterende Danske Radioamatører (EDR for short) was founded on the 15th of August 1927 and will therefore be celebrated in 2017 with different activities.

To celebrate the 90th anniversary of EDR, Danish radio amateurs will, throughout 2017, be active with the following special event call signs: OZ9ØEDR, OX90EDR and 5P90EDR.

Special activity:

On 15th of August from 00.00 UTC until 23.59 UTC there will be extensive activity with these call signs. Furthermore there will be activation of the special Head Quarter station **OZ9ØHQ** and also the Joker station **OV9ØEDR** will be active.

Saturday the 19th of August, there will be a reception at EDR head quarter and this date there will be activation from the OZ9ØHQ station exclusively.
After this day the HQ station will go back to the original call sign OZ1HQ.

All bands, including WARC-bands, and all modes may be used. Exceptions are cross-mode, cross-band contacts and contacts via repeater and echo-link.

On JT modes the callsign OZ7D will be used. ONLY QSOs with OZ7D in JT modes are valid for the award.

All contacts these two days will be valid for the “EDR 90 anniversary award”.
