Dear competition committee of the "YODX HF Contest 2023"!

Thank you for organizing the "YODX HF Contest 2023" contest.

At the same time, I would like to draw your attention to the fact that among the logs accepted for the contest are the logs of D1CW and D1M radio stations.

LOGs of D1CW and D1M radio stations are available at the following link:
<https://www.yodx.ro/logs/#>

The ITU has not assigned the D1 prefix to any country or territory in the world. Therefore, D1CW and D1M radio stations are not official and can only be identified as pirate.

The admission of pirate radio stations to the contest is contrary to the spirit of civilized radio amateurism.

Therefore, in order to comply with the rules and principles of civilized radio amateurism, I ask to exclude the D1CW and D1M radio stations from the "YODX HF Contest 2023" and not to count QSO's with the D1CW and D1M stations when calculating the results of the "YODX HF Contest 2023" contest.

Best regards,

President UARL
Oleksandr Zaliznyak UX7UU
