Dear competition committee of the "European HF Championship 2024"!

Thank you for the wonderful organization of the "European HF Championship 2024".
You, as in the past year 2023, accepted the LOG's of the pirate radio stations D1Y and D1M.
Information is available at the link - <https://euhf.s5cc.eu/received-logs/>

The ITU has not assigned the D1 prefix to any country or territory in the world.
D1Y and D1M radio stations are not official and can only be identified as pirate.
Allowing pirate radio stations to count is contrary to the spirit of civilized amateur radio.
In order to comply with the rules and principles of civilized amateur radio, I ask that radio stations D1Y and D1M be excluded from the "EU HF Championship 2024" contests and QSO's with stations D1Y and D1M not be counted when calculating the results of the "EU HF Championship 2024" contests.

Also, please exclude the possibility of participating in your pirate station competitions in the future.

I am attaching a copy of LRU letter No. 56 dated August 07, 2023 to the organizers of the "EU HF Championship 2023" contest.

Regards,

President UARL
Oleksandr Zaliznyak, UX7UU
