IARU Award 2025 EDR

IARU is celebrating its centenary in 2025. Since its founding in Paris, France, IARU has worked tirelessly to promote innovation in amateur radio and to encourage the growth of the service in communities throughout the world.

IARU has represented the Amateur Services at international and regional regulatory bodies by relying on our volunteers who come from many countries and communities. IARU has been a sector member of the ITU since 1932 and the work of our volunteers has continued since that date with unmatched success, as was highlighted with the accomplishments at WRC-23.

EDR - Experimental Danish Radio amateurs
celebrate the 100 year anniversary of the International Amateur Radio Union, by activating this Special Event Station.

All two-way contacts and SWL reports count towards the Award.
